Eleventh United Nations Conference on the Standardization of Geographical Names
New York, 8-17 August 2017
Item 9 (e) of the provisional agenda*
National standardization: toponymic guidelines for map and other editors

General remarks by the Coordinator of toponymic guidelines for map and other editors for international use

Summary**

The report provides a review of the aims and intentions with regard to the toponymic guidelines drawn up by the United Nations Group of Experts on Geographical Names and a list of links to documents concerning those guidelines. This easily accessible information should encourage countries not yet having published such guidelines to do so.
